ABOUT ME

As a dedicated Computer Science student, I am eager to apply my strong work ethic and passion for learning to the retail and food and beverage industries. While my professional experience is still developing, I have honed leadership skills as president of a curriculum project. Driven by the belief in taking action, I am committed to achieving independence and success in my career. I bring enthusiasm, a willingness to learn, and a determination to excel in every opportunity.

WORK EXPERIENCE

ACCOUNT ASSISTANT

CROSSWOLRD BUSINESS STRATEGY
2023

- In my role as the Account Assistant, I oversee various aspects of the accounting process.
- The Account Assistant can efficiently complete tasks within a reasonable timeframe.
- The Account Assistant excels in adapting quickly and is a fast learner through structured learning processes.
